Magdeburg, Germany • Open to relocation • +49 1522 5287615

Ehtishamkhan8889@gmail.com • Portfolio: ehtishamkhan.de • LinkedIn: linkedin.com/in/contactehtisham

Work authorization: Eligible to work full-time in Germany

Professional Summary

E-commerce Manager with 6+ years of experience building, optimizing, and scaling Shopify stores with large product catalogs. Delivered 700+ projects with 425+ five-star reviews, combining hands-on operations with conversion rate optimization (CRO), SEO, and AI-driven automation. Engineering background applied to data-driven decision-making and technical store customization. Currently pursuing a Master's in Germany and seeking a full-time E-commerce Manager role, open to relocation.

Professional Experience

E-commerce Operations (Working Student)

10/2025 - 06/2026

Nicegrow e.K

Magdeburg, Germany

- Independently own end-to-end e-commerce operations for stores with catalogs of up to 3,500+ products, managing the full product lifecycle: uploads, categorization, and data accuracy.
- Improve store structure, navigation, and on-site UX to drive faster performance and a smoother buying experience at high inventory volumes.
- Optimize Amazon product listings with high-intent keywords, SEO-driven titles, bullet points, and enhanced (A+) content to lift organic ranking and click-through.
- Designed and built custom Shopify apps and AI-assisted automations using Claude AI, replacing paid third-party tools and cutting recurring subscription costs while streamlining product management and repetitive workflows.

Freelance E-commerce Manager & Website Designer

02/2019 - 10/2024

Fiverr (Self-Employed)

Remote

- Delivered 700+ Shopify and e-commerce projects for 350+ international clients, earning 425+ five-star reviews with strong repeat business and referral rates.
- Built and customized 250+ conversion-focused Shopify stores end to end across DTC and dropshipping niches, covering theme setup, UX/UI design, on-page SEO, and payment gateway integration.
- Conducted data-driven product and competitor research to source profitable, trend-driven products and improve store conversion rates and average order value.

Core Skills
